**Form for Objections or Representations about
The Finalised Clackmannanshire and Stirling Structure Plan
3rd Alteration
Clackmannanshire Housing Land Supply - Towards 2025**

(See Notes Overleaf)

Part 1

Name and address
(block capitals please)
.....
.....

Telephone No(s) Home Other

E-mail

Part 2

Please state here what your objection or representation is about. So far as possible refer to the policy and general proposals with which it is concerned. Please quote the section and page number of the Written Statement, or refer to the relevant diagram or other document, as appropriate.

Continued Overleaf

Part 3

Please explain here the full grounds on which your objection or representation is made. The clearer and more complete your statement, the less likely will be the need to ask for more information. (If there is insufficient space, please use a continuation sheet.)

Notes

1. Please use this form for making objections or representations about the Finalised Clackmannanshire and Stirling Structure Plan 3rd Alteration - Clackmannanshire Housing Land Supply - Towards 2025. Its use is recommended by The Scottish Government Directorate for the Built Environment to enable objections and representations to be handled quickly and effectively.

PLEASE USE A SEPARATE FORM FOR EACH OBJECTION OR REPRESENTATION AND WRITE YOUR NAME AND ADDRESS ON EACH FORM

Further copies of the form are available from Clackmannanshire Council and at all places where the Structure Plan Alteration has been put on deposit.

2. There is a period of 8 weeks, commencing on the 4th July 2008, for making representations and objections. The **closing date is 29th August 2008.**

Please return your completed form, before the closing date, to The Scottish Government Directorate for the Built Environment at the address shown overleaf.

3. Copies of objections and representations will be sent by the Directorate to the planning authority, and put on deposit with the Structure Plan so that others may know of them. They cannot be treated as confidential.
