Clacks Alcohol & Drug Partnership	Substance Development & Customer Care Officer	Valerie	Corbett	vcorbett@clacks.gov.uk	www.forthvalleysat.co.uk/v2/	01259 45 2446	Room 43, Lime Tree House
<p>The principal aim of the Alcohol and Drug Partnership (ADP) is to co-ordinate and express the views of service providers, service users and those in need of services in relation to substance misuse. The key objectives are: to raise the awareness of substance misuse issues and to change public attitude towards substance misuse; to continue to support a corporate approach by the key service agencies, involving the community, to reduce the problems associated with substance misuse; to target young people in an effort to reverse the trends in substance misuse within this group; to develop an effective preventative strategy for the people of Clackmannanshire.</p>

Addictions Support and Counselling (ASC)	Chief Executive	Paul	Mooney	chiefexec@asc.me.uk	www.asc.me.uk	01324 874696 01786 450721	Addictions Support & Counselling & Support Service, 32 Vicar Street, Falkirk. FK1 1JB
Go Forth		N	Bido	enquiries@asc.me.uk	www.asc.me.uk		
<p>Addictions Support & Counselling (ASC) – Forth Valley is a voluntary organisation providing a range of support services for people affected by substance misuse (aged 16-21) across Falkirk, Stirling & Clackmannanshire. We provide information and advice, counselling and family support and our Go Forth service offers a community based, structured rehabilitation service for people wishing to access educational, training, volunteering and employment opportunities. Go Forth – Age 16+ This service assists people in recovery from alcohol/drug dependency to gain personal/professional skills and support them in moving towards education, training, volunteering and/or employment. To bridge the gap between alcohol/drug treatment services and employment services.</p>							
Community Alcohol Drugs Service	CADS Manager	Colin	Bennie	colin.bennie@fvpc.scot.nhs.uk		Alcohol 01786 483131 Drugs 01786 483121	Community Alcohol & Drugs Service, Bannockburn Hospital, Bannockburn, FK7 8AH.
	Team Leader	Graham	Nisbet			01786 483113	
<p>The service is mainly for those aged (18-65) and is delivered in the community through a network of outpatient clinics and home visits. It comprises of nursing, medical and administration personnel. The service has two distinct sections "Drugs and Alcohol". The CADs Drugs Service provides drug treatment of patients within the Forth Valley area. This treatment includes specialist assessment and support of illicit drug use including replacement prescribing. The CADs Alcohol service receives the majority of referral from General Practitioners (GPs) within Forth Valley. It to offers specialist assessment; detoxification, (both inpatient and domiciliary), and assessment for residential rehabilitation. Along with core treatment services CADs also provides a needle exchange service via a network of community pharmacists. CADs also provides medical support/prescriptions to staff within Childcare Social Work who are working with young people under the age of 18.</p>
